

THE BUNKER ZONE

DISTANCE MASTER

Have you ever wanted to know how to control the distance of your Bunker shots?
Or what club should you hit for the distance of shot you have? And how do you get over the lip of
that bunker that looks so intimidating?

This session focuses on distance control. It's for the golfer who has the basics of the strike and swing,
but struggles with controlling the distance and height of the shot.

In the distance Master course I will take you through different swing ideas, the different clubs, and set
up positions to allow you to enjoy better control of your bunker shots. I will also use video to analyze
your bunker action.

**This Bunker Zone will be an hour long, held at the Akarana golf club, with a maximum of
four players and practice balls provided.**

Each player needs to meet at the pro shop 5 min before for payment on the first session
or you can use internet banking 01-0242-0097618-00.

THE COST IS \$60 PER PLAYER

Look forward to helping you out.
