

# THE PUTTING HOUR

---

**Does 40% of your practice time comprise of putting?**

No? Well believe it or not that's the percentage of shots you average on the greens in your round!

So what makes a good putter?

Putting is an art form, and not unlike the golf swing, there are unique aspects to it. The Putting Hour is about teaching you the fundamentals needed to increase your chances of becoming a better putter.

Using the lessons I gained from Scotty Cameron - the leading putting designer for Titleist and the maker of Tiger Wood's putters; and Stan Utley who is well renowned on the PGA tour as a short game guru and now author, I will show you what the mechanics of a successful stroke are.

## **WE WILL...**

Discuss putter design and the influence various designs have on the putt

Fit your putter to your stance

Go through my philosophy on the putt, and with the use of super slow mo photography, critique your putting stroke

I will also give you some drills to take away to perfect your technique

**This Putting clinic will be an hour long. To be held at the Akarana golf club, with a maximum of four players and practice balls provided, with video presentation to analyse your putting action.**

**ALL THIS FOR \$60!**

Look forward to helping you out.

**DON'T MISS OUT, BOOKING ESSENTIAL!**
