

# LADIES BEGINNERS

**Beginners Clinic for Ladies + a glass of bubbles to consolidate!**

Welcome to an exciting four week beginners clinic for ladies that are just getting started or want to learn the basics again in this great game. My name is Marcus Wheelhouse from Wheelhouse Golf (WG), and I've designed this course to give ladies confidence to either try or progress their game. The clinic will give you a broad look at the key areas to focus on, and you can do it with your friends next to you. Add to this a glass of bubbles at the end of the session and it's a perfect work out session!
